NOT A PERMIT

SPECIAL FILMING CONDITIONS
5400 BLOCK OF WILBUR AVENUE

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The 5400 block of Wilbur Avenue is a quiet, charming residential area without sidewalks, that has been used over the past several years for location filming. The following conditions have been established to mitigate the concerns of local residents and to provide for a balanced use of the street and filming property.

- **Affected residents must be notified at least two (2) days in advance of the first filming day or the first day of any substantial set preparation.** *Permit requests must be submitted at least three (3) days in advance.*
- **Equipment parking and associated posting on Wilbur Avenue should be kept to a minimum for essential vehicles only.** *Driveways may not be used as turnarounds.*
- **An LAPD officer required when parking on Wilbur Avenue during weekdays while school is in session.**
- **Additional area for posting** is the East side of Topeka Drive, 150' on either side of 5520 Topeka Drive (directly in front of the church and only where the street is markedly wider). Overflow equipment vehicles may not be parked on Crebs Avenue at any time.
- **Parking is not allowed in front of 5443 Wilbur Avenue.**
- **Cast and crew personal vehicles are not permitted to park on area streets.** Off-street parking must be provided for production company vehicles.
- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.** unless approval is obtained from the Permit Authority and the approved times are indicated on the permit.
- **Weekend filming is prohibited** unless approved by the Permit Authority.
- **Property boundaries on Wilbur Avenue can be difficult to determine.** Extra care should be given to obtaining owner permission for all proposed activities.
- **Activities may not interfere with scheduled trash collection (Thursday).**
- **Craft services, catering trucks, food preparation tables and dining tables are prohibited on all neighborhood grass areas (including Crebs Avenue) and must be out of public view.**
- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

The Special Film Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this are is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit(s) will be issued for this area. The decision whether or not a particular permit(s) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

This is a mixed-use area that includes manufacturing facilities, warehouses, artists/artisans and residents. These Special Conditions apply to the area roughly between 1st Street and 7th Street and between Alameda Avenue and the LA River. Within the past ten years, this area has experienced an influx of permanent residents into what was predominantly a light to heavy manufacturing zone for over 75 years.

The motion picture industry has amicably co-existed with the businesses and residents of this area for decades and desires to continue to do so. These Conditions are designed to promote cooperation between film companies, local businesses and residents so that each group can effectively utilize this diverse area. Violation of any of the conditions as outlined below may result in permit revocation or other administrative action.

- Affected residents/merchants and businesses must be notified at least two days in advance of the first day of filming or the first day of any substantial set preparation for productions that:
  - Request parking restrictions on the following public streets: Traction Avenue, East 2nd Street (except Alameda Street to Garey Street), East 3rd Street, Vignes Street, Molino Street (Palmetto Street to 4th Street only)
  - Request a street closure

- Posting on more than one side of Traction Avenue, East 2nd Street (except Alameda to Garey), East 3rd Street (except Vignes to Santa Fe), Vignes Street, Molino from 4th Street to Palmetto, Hewitt from Palmetto to 4th Street, 4t Street from Colyton to Molino requires a notification to a designated person in the building where alternate parking is not provided. Posting on both sides of the above streets is allowed without signatures on Sundays.
- When "No Parking" signs are posted on both sides of Hewitt between 4th Street and Traction Avenue, Art Share (213-687-4278) and Bedlam (213-909-1512) must be notified.
- Posting for equipment and/or picture, other than the streets listed above, will be reviewed on a street by street basis and may not exceed 450 linear feet. Additional posting may be granted if there is a majority of support from affected residents/businesses/merchants, and indicated on the permit. After filming is completed, companies are requested, as a courtesy (only LADOT is to touch the posting signs), to turn all "No Parking" signs around so that they face the opposite direction.

- Generators are to be placed as far away from residential buildings as possible. Placement will be considered on a case-by-case basis.

- Production companies are required to completely remove all trash, food, cardboard boxes, etc. from the general vicinity at the end of each filming day. Production companies will be held responsible for the actions of the catering companies they employ to provide food for the cast and crew.

- Food should not be given directly to the homeless persons in the area. Production companies wishing to help the homeless should do so though one of the service providers in the downtown area.

- FilmL.A will monitor frequency and look for ways to mitigate the impacts of filming prior to placing a location off limits.

- Unless a signature survey is completed, the west side of Mateo Street between 4th Place and Palmetto Street must be kept clear of equipment, vehicles, condors and lights. This area, however, may be used for camera placement between the hours of 7:00 am and 10:00 pm only.

- The area near 3rd and Traction Avenue is home to many small businesses that have greatly helped to develop the area.
